Calling All Super Savers!

April is National Credit Union Youth Month. Join us while we celebrate our Young Savers all month long.

This year's theme: "*Saving is My Super Power!*" Youth month is all about giving children the tools to plan and save for their futures. We'd love to be a part of their financial journey.

New Young Saver Accounts opened during Youth Month, will receive a special gift* at the time of opening, as well as an entry into our Grand Prize Drawing.

For children aged 13-17 years, we offer **Teen Checking Accounts**, with a qualified adult co-owner. Teen Checking is a perfect way to help your child build healthy spending habits with the freedom of their own debit card, while still giving parents control to monitor their spending.

Existing Young Saver Accounts will receive a Grand Prize Drawing entry for each "new to credit union money" deposit made to their account, during the month of April.

All Young Saver Accounts are eligible for a *Super Special CD Rate* of 3.50% APY, for 6-months!

- Minimum deposit-\$200.00
 - Maximum deposit-\$5000.00
- Must be "new to credit union money" to qualify. One CD special per youth account. Additional restrictions may apply. Speak with a credit union representative for full details.

We hope you will join our celebration and help the Young Saver in your life become a **Super Saver!**

We Loved Audio Response...but now it's time to say goodbye

PAT, our Personal Automated Teller, will be disconnected on July 31, 2026.

While this system has served us well for many years, it has become increasingly outdated and unmaintainable. For this reason, we have made the decision to discontinue the service at the end of July.

But don't worry—we have alternative

options to ensure you can easily access your account information and manage your personal finances.

Home Banking and the **Mobile App** are two great ways to stay connected to your account, *no matter where you are!* If you would like assistance setting up your electronic banking, don't hesitate to call us at **209-938-1088** option 3.

Annual Meeting

Thank you to all who were in attendance at our 67th Annual Members Meeting, held Wednesday, March 4, 2026.
